

GO I like being best friends with Manny. Even though he is a monster, he has very good **manners**. When we play with our friends, Manny makes sure everyone gets a chance to play.

*Me gusta ser la mejor amiga de Many. Aunque es un monstruo, tiene muy buenos **modales**. Cuando jugamos con nuestros amigos, Many se asegura de que todos puedan participar en el juego.*

☁ He takes turns. Taking turns is good manners.

Él espera su turno. Tomar turnos es tener buenos modales.

- ☉ Manny always plays fair and never breaks the rules. Sometimes he wins. Sometimes he doesn't. If he doesn't win, he is still happy to have played and is never a poor sport.

Many siempre juega limpio y nunca rompe las reglas. A veces gana. A veces no. Aunque no gane, se siente feliz por haber jugado y nunca es un mal perdedor.

☁ . That is why it is fun to play with Manny.

Por eso es divertido jugar con Manny.
