

Miss Grant had a nice pair of pants which attracted a curious ant.

This ant gave Miss Grant quite a shock when the ant came and ran . . .

. . . up her sock.

 The ant ate up all of her lunch.
 Then he slurped down her whole . . .

 . . . box of punch.

☺ He climbed all the way to her chin,
where he thanked her and gave . . .

☺ . . . her a grin.

☹ He headed back down to her slacks,
and it itched as he walked . . .

☹ . . . down her back.
