

☉ My dad and I like to go driving around.  
He wants me to know where things are in my . . .

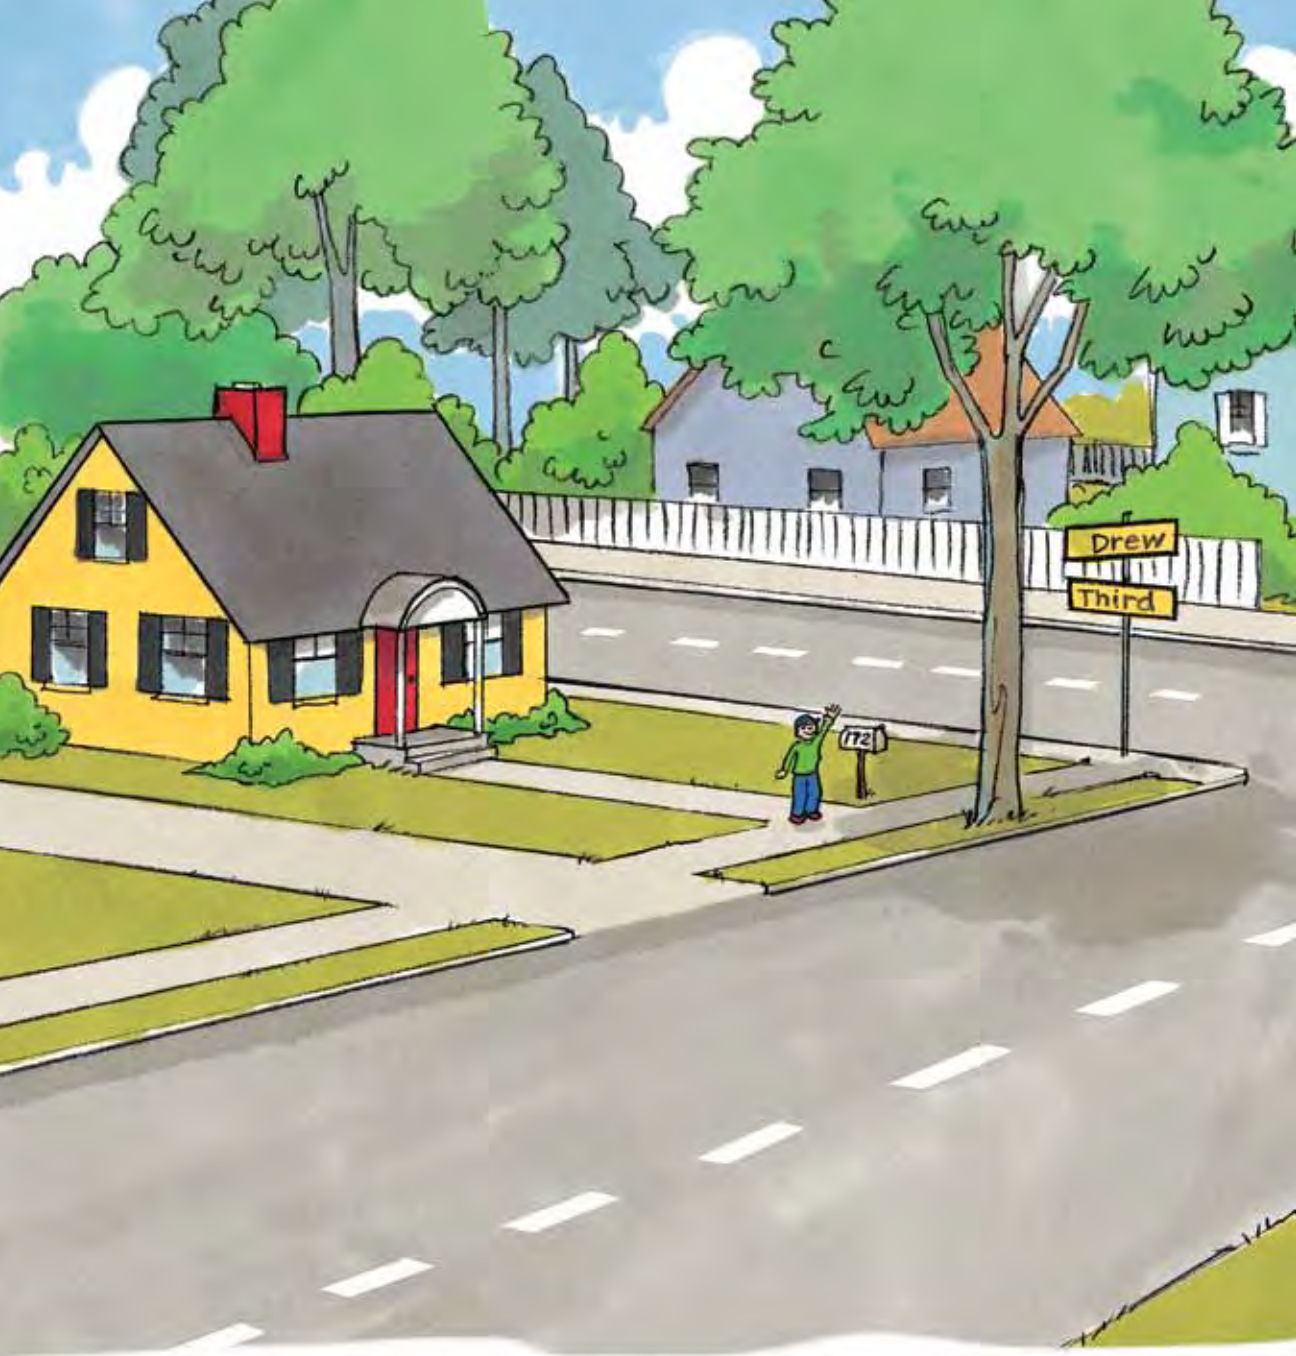

☉ . . . town.

☺ We're drawing a map of my town that's so neat!  
It shows where my house is. It shows my whole . . .

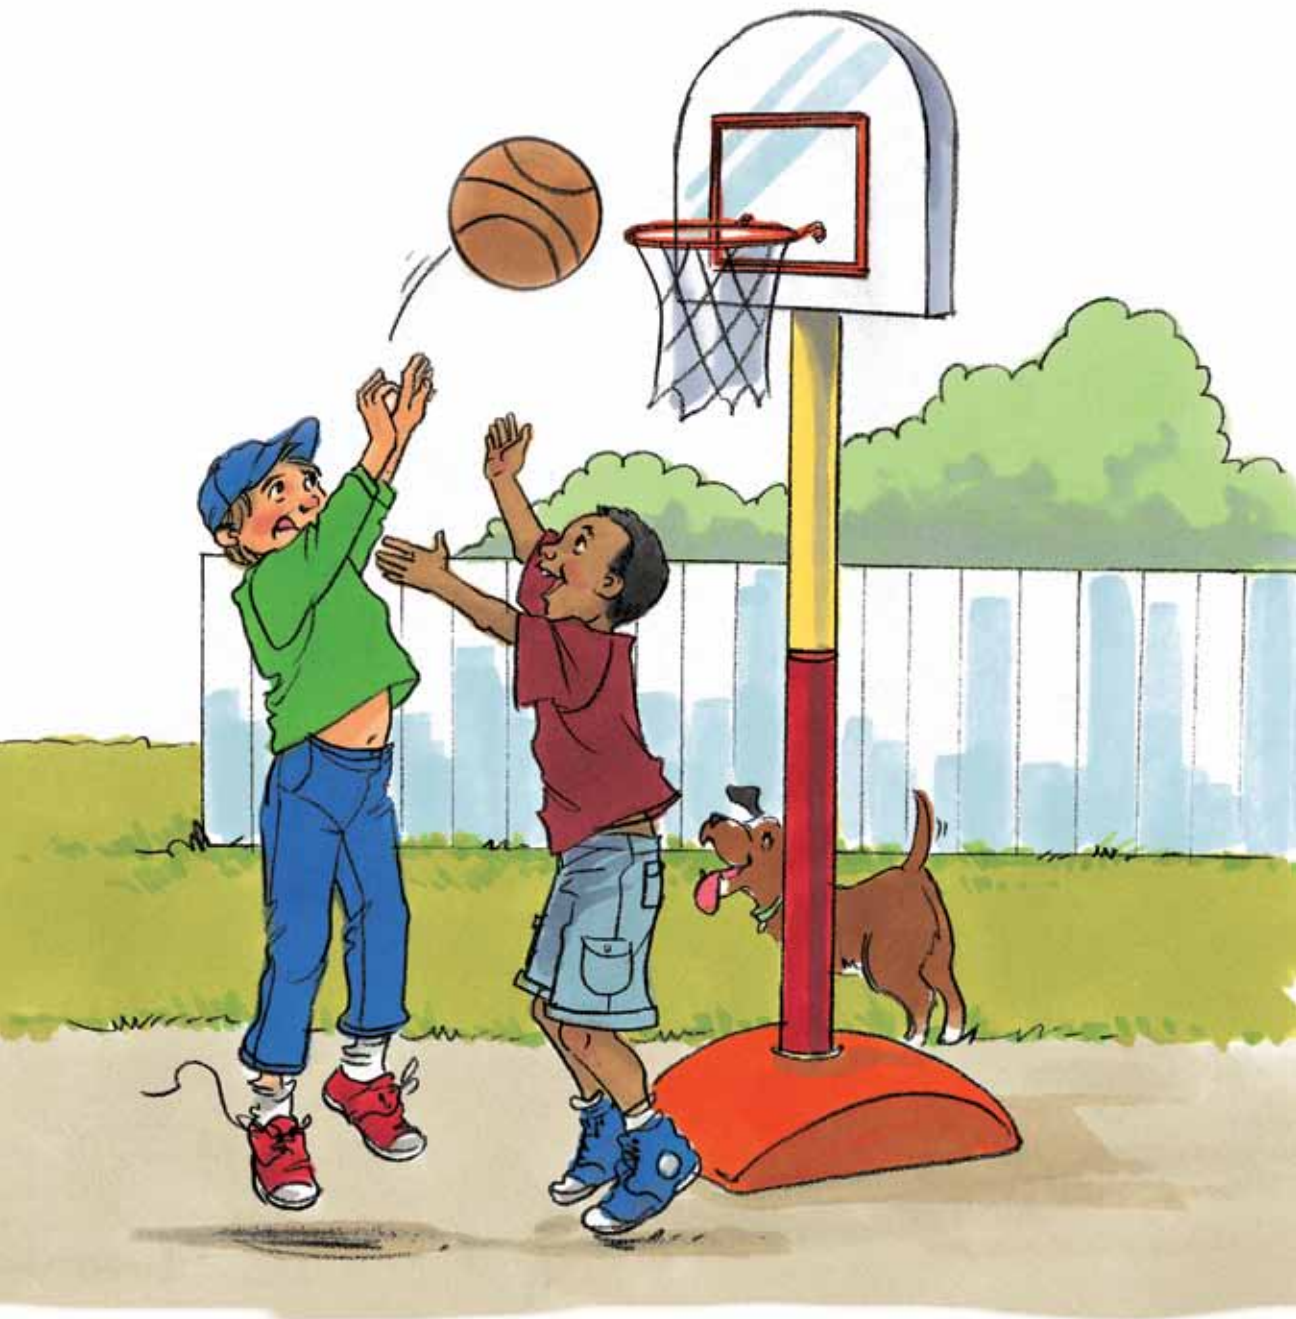

☺ . . . street.

👁️ I live near the corner of Third Street and Drew.  
My address is one hundred seventy . . .

👁️ . . . two.

👁️ Now just up the street lives my best friend, Dan Coop.  
I mark where he lives with a basketball . . .

👁️ . . . hoop.
