

☹ The ball flew over a chicken.  
The ball bounced between two bunnies.  
The ball rolled under . . .

☹ . . . a bird!

☹ The friends happily chased the ball. Then it bounced someplace they did not want to go. It bounced right into the giant's . . .

☹ . . . house!

☹️ "Bye-bye, ball," said Debby.  
 "So long, ball," said Mikey.

But Frank didn't want to say good-bye.  
 He wanted his ball back! So he jumped  
 right through the giant's . . .

☹️ . . . window.

☹ Frank looked up. He looked down. He  
looked all around. He did not see his ball.  
But he did see a giant . . .

☹ . . . chair.
