Jet is a **GOAT** just like any other **GOAT**.
Totally flightless? Check. Born to prance? You know it!
And, of course, she's completely beard-free.

Tł'ízi nahalingo.
Just like any other goat!

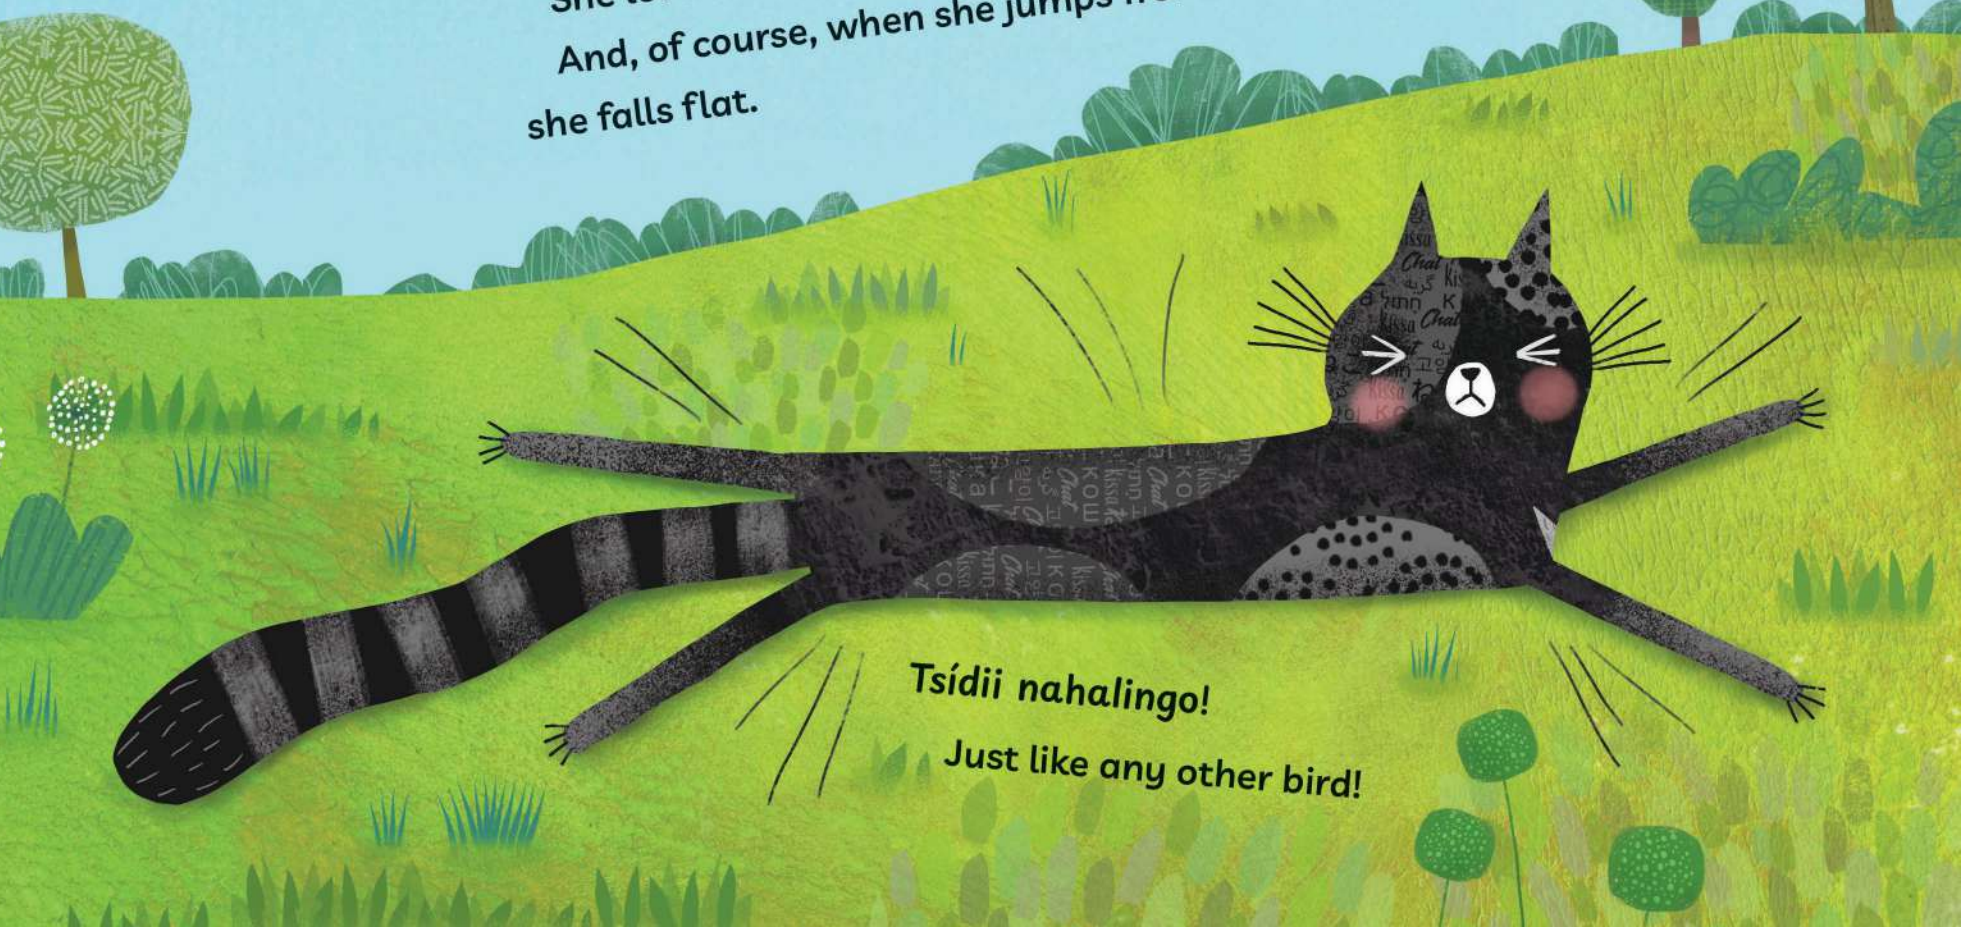

Jet éi **TSÍDII** át'ée lá **TSÍDII** nahalingo.

Jet is a **BIRD** just like any other **BIRD**.
She loves to eat bugs. She loves to sing high.
And, of course, when she jumps from a tree
she falls flat.

Tsídii nahalingo!
Just like any other bird!

Jet goes home for a nice, long swim.
She feels like herself again.
Now she has something to say to all those creatures
still arguing about what she can or cannot be.
