A **Secret Code** in World War I

*Un **código secreto** en la Primera Guerra Mundial*

Tired and dirty, U.S. soldiers tried to sneak up on the enemy. But wherever they went, enemies attacked. Spies were listening in on phone calls. The United States needed a secret code.

Cansados y sucios, los soldados estadounidenses intentaron acercarse sigilosamente al enemigo. Pero dondequiera que iban, los enemigos atacaban. Los espías escuchaban las llamadas telefónicas. Los Estados Unidos necesitaban un código secreto.

An Idea

One day, a **captain** heard soldiers talking in their Choctaw language. That gave him an idea. He placed Choctaw soldiers with each army unit. They passed information to each other in their home language.

Una idea

*Un día, un **capitán** escuchó a soldados hablando en su lengua indígena choctaw. Eso le dio una idea. Asignó soldados choctaw a cada unidad del ejército. Se intercambiaban información en su lengua materna.*
